

Dear Parents,

Although most of you may know me, I want to introduce myself to those who may not and also share my heart with you all.

The Lord has called me for such a time as this to lead our teens and establish our youth group once again. I am very humbled and honored to step into this area and take this task very seriously. This is not just something to do, and I purpose to take this very seriously because I understand we are dealing with the lives of young people, who at this stage of their lives are very vulnerable and impressionable.

My desire is to assist in the training of these teens and raise up a youth group who are solid in the Word of God and desire to live righteous lives before Christ; and in turn watch the current youth group lead by example the younger generation that will follow them.

I understand that apart from God I am nothing and am seeking Him every step of the way for what is best for the teens He will send. My heart is to please God and be a vessel He can use to help this generation who are dying spiritually. I will not be doing this on my own and God has put an extraordinary team together to assist me in the awesome plans He has for your teen(s).

In addition, I will also be looking for open communication and support from each of the parents. Your help and support will be very much needed and appreciated.

Should you have any questions and or concerns please do not hesitate to contact me. I can be reached at the church, Monday – Thursday from 10:00 AM – 3:00 PM.

In Christ,

Zenaida (Zee) Bermudez
